ACADEMIC EXCELLENCE

The excellent results and ranks that the college has been securing in the Pre-University course and the University examinations ever since its inception speaks of its permanent inscription in the map of Higher Education. Securing Ranks has been a regular feature of our college. The heavy rush for admission to this College, every year reflects in ample measure, the high reputation that this College enjoys in the academic world and the confidence it has created among the students and parents.

DEVOTED TEACHING STAFF

What makes this College unique and distinctly different from others is not only so much of its buildings or equipments but its teaching staff. The College has an experienced and qualified staff - a band of men and women, endowed with the finest qualities of head and heart. It is a mixture of the young and old bound by a common cause of devotion to duty and the awareness of the responsibility. The College provides ample opportunities to bring about the proper rapport between the students and the teachers. Better intellectual and spiritual values are cultivated to promote more intimate and cordial relationships.

STUDENT SERVICES

The College provides various student services like the cafeteria, mid-day meal centre, vehicle stand,

open-air theatre, auditorium, gymnasium, spacious playground, firing range, bank facility etc. The Book Bank of the College library lends books to the students on long term basis. Liberal fee concessions and scholarships are also offered to the poor and deserving students through private and Government agencies. Along with subsidized mid-day meal, free mid-day meal is also provided to the students hailing from extremely poor families.

COMPUTER CENTRE

A major highlight of the College is the Computer Centre. To keep pace with the growing tempo of Science and Technology, Computer Education has been introduced both as an academic curriculum at the P.U. and the Degree level and also a Diploma course. With its sophisticated laboratory and well-qualified staff, the course is able to attract the talented students from far and near.

INNOVATIONS IN TEACHING AND GUIDANCE

The College has always been trying to improve the quality of education through experimentation and innovations. The class-room work is supplemented by library reading and seminars. The continuous assessment of the students is made through regular home assignments, class tests and terminal examinations.

The students in each class are entrusted to the care of the Academic Advisor who guide them by formulating the educational programme throughout the year. A Cumulative Record in respect of every student is maintained which forms a dependable record of the student's progress, conduct and attendance. The Students' Council comprising the representatives of all classes forms a useful consultative body to seek the views of the students on matters that concern their studies and well-being.

HIGH STANDARDS AND HEALTHY TRADITIONS

The College has maintained the highest educational standard throughout. It is evident not only in the physical facilities provided to the staff and students for work and study but their willingness to improve the quality of the performance by hard and sustained efforts. Selective admission, encouragement for independent study among students, effective tutorial system and continuous evaluation are some of the practical measures that are adopted in this College for improving the quality of education. The College has grown into a worthy institution dedicated to the task of spreading value based education and has built fine traditions of hard work and discipline. It is no wonder that the College is acknowledged as one of the best institutions in the country.

ADMISSION (General)

1. The College is open to all the students, with requisite qualification for admission.
2. The admission of candidates is made by considering the marks obtained by the candidates in the qualifying examinations and as per the govt. roster system.
