2.3.2

Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Learning atmosphere always prevailed in the Campus. All departments, laboratories library and College office are connected with LAN. Campus provided with WiFi for availing network resources by students and teachers. A Multimedia Studio was established. Most of the class rooms were provided with LCD and screens. The ratio of computers to students was 1:6. Teachers use social media for sharing study material, meetings and tests. Any notice or information is passed on to the students through social media in support of their learning process.

Google classroom, Whatsapp and Telegram accounts provided greater possibility to students to interact with teachers beyond campus hours. Online short term courses of Sales force, Amazon Cloud etc. were arranged with the collaboration of ICT Academy. Computer and internet facilities are provided to all students whenever necessary. Online resources are also made available to strengthen the knowledge of students. Blended learning was introduced with a freedom to accomplish any course on online mode under MOOC. Students are encouraged to use PPT's and short videos in seminars.

IT Infrastructure

The college has a well structured ICT network.

Due to this , **National Testing Agency**, N T A gave the recognition of **National testing Centre (NTC)** for our College . This allowed us to conduct online examinations of NTA . The NTC id of the college is **19094145539** .

NTA and other national online examinations are conducted frequently.

There are 4 computer labs .

The **main computer block** has three labs having 85 computers , one is hardware and another two software.

17 KV UPS/ inverters , 2 projectors are present .

The network upgradation was done with cat6 cabling having manageable switch.

Another is **Language Lab** having 20 computers and one server with 5 KV UPS backup .This lab is also used for Mathematics practicals. It has a TV for audio –video presentations.

DLM – Essential –Language Lab software is installed. We paid Rs. Rs. 70.800.00 for this.

WXmaxima and Scilab FOSS softwares are installed for Mathematics practicals.

For the purpose of online examinations , **partitions are maintained in all labs.**

All labs are connected with LAN.

All computers in the college are connected with the internet.

The college has a 125KV generator .

College Office

For attendance purpose **biometric system** is introduced. Both face recognition / thumb impression is maintained .

For smooth running of the office , **two softwares** are purchased and installed

1.ROBOVIDYA for administration and EDUMANAGE –for attendance by paying **Rs. 185965.00 and Rs Rs. 2,55,000.00** resp.

The office has two servers .

Total 10 laptops were purchased(**5 on 9--05-2017** and Five new laptops (HP 348G7 Laptop) on 01-12-2020.)

Total number of computers purchased was -82.

Total number of computers including Laptops in the college is 168 [**computers -143 and laptops is 25]**

There are 24 classrooms with projector facility. **Total 7 projectors were purchased.** Latest 5 EPSON projector EB-W49 Total cost 3,07,494.00)

A seminar hall is created in the report period.

Web Cameras are connected to all department computers for the purpose of online teaching and video recording.

All the teachers are acquainted with IT skills

The entire college is secured with CCTV surveillance.

Library:

The library is automated with ICT EASYLIB software and subscribed to N-List and Inplibnet. In this reporting period we paid Rs. 1,60000.00 towards up gradation and maintenance of EASYLIB and Rs Rs. 35,250.00 towards N-LIST.

One server computer (RS. 71,862) was purchased on 07-09-2020 .

The internet browsing centre in the library has 10 computers

Wifi :

Three BSNL broad band land line facilities are provided .

Our college has a total band width of internet connection of about 700 Mbps .

The wi-fi access are available at the crucial points.

Routers are installed at various corners . **Additional 12 routers** are purchased on **24-02-2022 at the cost of 51,448.00.**

Important Information:

REF : DLM/732-SBCU-19/FEBRUARY/2019
DATE : 19-02-2019
SUB : DLM Intro

TO : **The Principal,
Sri Bhuvanendra College
Uduppi**

Dear Sir/Madam,

Thank you very much for this opportunity to introduce the **Digital Linguistic Mentor** or **DLM** to your prestigious institution of learning. We would also like to request you a no-obligations 15-minute audience to not only showcase the versatility of DLM but also its incredible usefulness.

DLM, is a full-service foreign language mastering solution that seamlessly integrates the power of information technology with comprehensive language-teaching and learning methodologies that personifies **TPACK**, or technology, pedagogy, and content knowledge – the latest *Mantra* or framework for ensuring perfectly smooth and at the same time, enjoyable interaction between the three fundamentals of knowledge: **Content, Pedagogy, and Technology**, which delivers positive results – **responsively**.

Brought to you by **Thaliyola Infotech**, front-runners in delivering world-class technology to the education sector for over 20 years, **DLM** is indeed a work-of-art painstakingly conceived from the ground-up not only using the flexibility and finesse of Java™ programming language but also in close consultation with IT-gurus, renowned faculty and linguists. It is **NOT** yet another run-of-the-mill language lab that promises the moon and usually ends-up as a useless piece of technology that is best left ignored or conveniently forgotten very soon, by institutions.

DLM works across a network of computers administered by the all-powerful Mentor Console controlling every activity of the Mentee Consoles. Comprehensive details of **DLM Essential, Essential Plus, Advanced & Premium** are listed overleaf along with our pricing and information brochure for your immediate perusal, which we are certain, will prompt you to invite us at your earliest convenience.

Thanking you and looking forward to hearing from you.

Yours Sincerely,

For Thaliyola Infotech Pvt. Ltd

Reneesh K.
